Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS', Oregon or local associations of REALTORS' will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by Oregon REALTOR' PAC to support state and local political candidates. Until Oregon REALTOR' PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after the Oregon REALTOR' PAC reaches its RPAC goal, your entire contribution will be used to support state and local candidates. Contributions are not deductible for income tax purposes. ORS 316.102 provides for a credit against state taxes of up to \$50 per individual or \$100 per joint return for contributions to political committees.
